7th July 2017

Carlton
Primary School

I can start this week with some amazing news from our Y6 children. They have worked fantastically hard all year and they have taken away some results from their tests that they can be really proud of. These are record breaking results for our school and they have now set the bar really high for Y5 to follow.

Reading—80%

Writing—88%

Maths 80%

These results show the percentage of children who achieved the expected standard and each of these are well above National Averages.

The majority of Year 6 left us today to begin their transition up to high school. Last night they had a Leavers' Disco organised by the PTA and they had great fun in the mobile photo booth dressing up for the camera. This morning they treated us all to an amazing Leavers' show—there wasn't a dry eye in the house. Everyone at school wishes them all the very best of luck on the next part of their journey.

I hope you have had chance to admire our new seating and planters that have been installed in the play-

ground. The PTA contributed significantly towards these and once they are planted out they will be a great quiet area for our children to enjoy at playtimes.

Please could you make sure that your children return all school library books next week so that we can check all of our stock ready for the

new term. We will make sure that all the children have a good stock of books on Bug Club that they can be reading over the summer.

We have a 'No Ball Games' rule in the playground before school. This is because it is really busy in the playground and it can be quite dangerous as there are lots of toddlers around. Could you please remind your children of this and not allow them to play football before school. If your child walks to school alone and continues to ignore this rule then you may need to consider if they are responsible enough to be in the playground unsupervised.

Last week was RE Week. The children learned about a whole range of different religions and they learnt first hand about what it was like to follow the Muslim faith from our very special visitor Fatima Mamaniyat. We were all really impressed with the respectful attitudes shown all week by our children and it was heartening to hear

all of the lovely comments from parents who were really supportive of what we were trying to achieve.

Blue Bay had a trip to the local farm shop this week. They met all the animals in the farm and they got to buy a lolly with some real life money. Thank you to the parents that helped out for making this trip happen.

Thank you.

Mr Coe

PTA

Thank you to everyone who came to join us for the Summer Panto. Although we ended up in the hall it was a fantastic afternoon and we raised lots of money for our children.

For more PTA info please visit us on Twitter @CarltonprimPTA or find us on Facebook.
