Let your light shine!

Christmas is now well and truly under way here at Carlton. Our tree is up in the hall and is looking magnificent after being decorated by our school council.

Saturday was the Christmas Fair which was another incredibly successful event run by our PTA. Hopefully you got the opportunity to come along and join in the fun—I know that Santa was very busy all day outside in his grotto. Miss Jackson's Carlton Choir opened up the Christmas Fair with a couple of their favourite songs and there were lots of crafts, games, stalls and refreshments to keep everyone entertained all day. Thank you to everyone that came along and to the PTA for organising everything (and tidying up afterwards).

On Wednesday we had two Nativity performances by our Foundation Stage children. Both performances went down really well and the audience were treated to lots of awww moments and laughter. We had 4 gifts from the Kings this year, Gold, Frankincense, Myrrh and Rhubarb! Foundation Stage then celebrated on Thursday with their Christmas Party and a visit from Santa.

The best part about working in schools is that you get to have an extra Christmas Dinner. Ours was on Wednesday and the food was delicious. All the staff

PTA

Thank you to everyone for supporting the iPad raffle and congratulations to our winner Juliet Knowles.

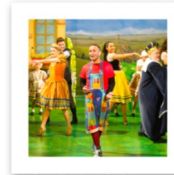

And a huge thank you to everyone who supported the Christmas Fair, our total raised will be on our Facebook page soon.

On behalf of us all on the PTA we would like to wish everyone a safe and Happy Christmas and all the best for the new year.

For more PTA info please visit us on Twitter @CarltonprimPTA or find us on Facebook.

joined the children in the hall to share their lunchtime with the children.

Yesterday was a very quiet day for me as the whole school (Except Foundation Stage) went to the Panto at The Carriageworks in Leeds. This year it was Jack and the Beanstalk and all the children came back very excited. This is one Carlton tradition that is here for keeps.

Also this week, Y3/4 had a street party in the corridor to celebrate VE day. They all dressed up and had some great home made party food and played some traditional 1940s games. I have never seen so many flat caps!

Please note that I have listed all of the Class Assembly dates for next term. The assemblies will start at around 9am each Thursday morning and are a good opportunity for you to pop into school to see just what your child has been learning.

You will be pleased to hear that our school raised £463 in this year's Poppy Appeal. A huge

thank you to all that contributed. Next week the Christmas fun continues with a show from KS1, a Christingle from LKS2 and a Carol Concert from UKS2. Not to mention all the parties. We will be rounding off the term with our traditional Carols Around The Tree to which you are all invited. We will be starting at about 2pm so please join us in the hall if you can make it.

If I don't speak to you before, have a wonderful Christmas and New Year.
Mr Coe.
