Let your light shine!

A huge thank you to everyone for the time and effort that you have put into your Easter Egg designs this year. It really does make the day a very special one for the children. There were some amazing creations yet again and this year the PTA have provided a small prize for every entry.

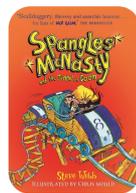

Foundation Stage had a trip to the woods last week and had great fun discovering all of the objects that the staff had carefully hidden for them to find. They listened to stories in the outdoor classroom and even had a visit from the Big Bad Wolf (who turned out to be not too big and bad after all). Thank you to the parents that came along to help make this possible.

Year 3 and 4 have been up to Lofthouse Church this week to visit Rev Mandy and her team for 'Experience Easter.' The children had the chance to meet members of the church who explained the Easter story to them and they all found it fascinating. We are lucky to have such strong links with our local church.

We have had a particularly sporty couple of weeks— well done to our Dodgeball team who went to a tournament last week against some other local schools at the Rothwell Scout Hut. Year 4 have had fun taking part in a skipping workshop and Y1 had some expert cricket coaching organ-

ised by Carlton Cricket Club. No ball tampering I hope!

KS2 had a visit from the author Steve Webb. He came to share his experiences with the children of what life is like as an author and to tell them all about how he had written his latest book—Spangles McNasty and the Tunnel of Doom. Our children were really inspired by Steve and one or two said they would like to become authors themselves.

Year 5/6 had a visit from PC Andrew Clifford this week. He had some very interesting discussions with the children about how, even at their age, they are accountable for their actions when they are out and about in the community. Hopefully this will help all of our children to keep themselves and others safe over the Easter break.

On Wednesday Foundation Stage held an Easter Crafts morning. We had an amazing turnout of mums, dads and grandparents to help the children with some very creative activities. The children loved the chance to interact with all of the adults whilst getting up to their elbows in glue, paint and icing sugar. Thank you to all who attended for making it a successful morning.

Wishing you all a happy Easter.

PTA

We hope you enjoyed creating your egg designs with your children—well done to all the winners! We enjoyed liaising with the Easter Bunny and Easter chick to get them to visit the children.

Race Night this year looks like being 27th April—we will be in touch to confirm this soon.

Hopefully you received a copy of our AGM report this week—please get in touch if not.
