

Class Assemblies and Showcases

Dear Parents/Carers,

Class assemblies have been a key feature at Carlton to help us all celebrate the children's successes over a term. This year we are going to develop this sharing experience even further and introduce Showcase events.

If your child's class has an assembly, these will take place as normal on Thursday mornings from 9.00am in the hall. Entry to these assemblies will still be through the Community entrance.

If your child's class has signed up for a showcase, the time and place will be specific to them and will be communicated in advance.

We have the dates for Spring Term below so please put them in your diaries and we will send further detail nearer the time.
