

# TAPESTRY ONLINE LEARNING

Carlton Primary School

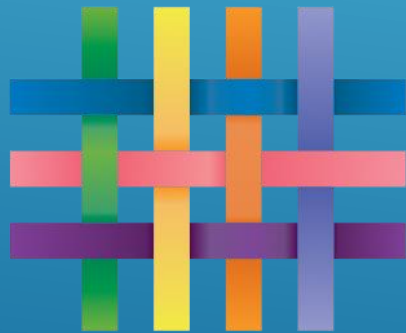

# INTRODUCTION

- ▶ What is Tapestry?
  - ▶ Why choose an online system?
  - ▶ Long Observations
  - ▶ WOW Observations
  - ▶ Home/School Links
  - ▶ Home learning Opportunities
  - ▶ Difficulties in accessing Tapestry
- 

# WHAT IS TAPESTRY?

- ▶ Tapestry is a piece of education software that allows us to create an online version of your child's learning journey.
- ▶ Each observation is recorded using an iPad and then uploaded to the child's individual learning journey.

TAPESTRY  
ONLINE LEARNING  
JOURNAL

# WHY CHOOSE AN ONLINE SYSTEM?

- **Able to use videos to enhance observations.**
  - **Observations can be created and uploaded instantly.**
  - **Allows you to have easier, more regular access to your child's Learning Journey.**
  - **Creates a greater partnership between parents and teacher.**
- 

# HOW WE OBSERVE...

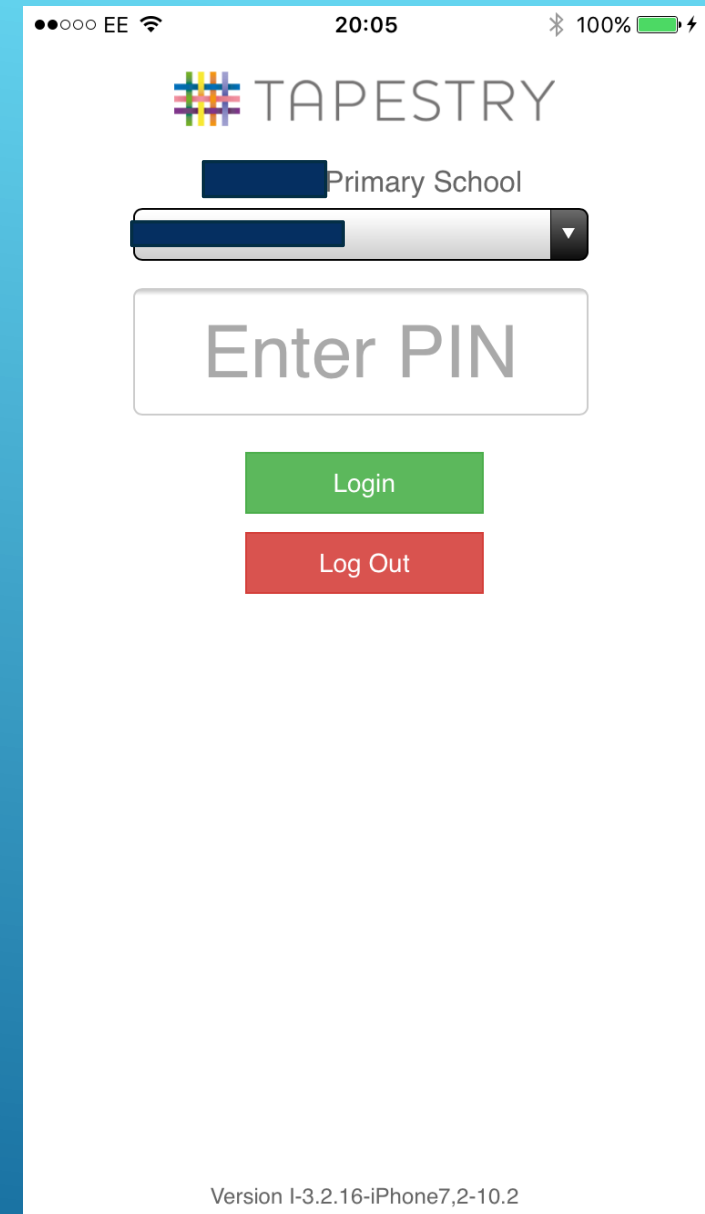

- ▶ We do a range of observations on your child each half term, from long observations to WOW moments and group observations.
  - ▶ We post weekly Motivational Monday posts about our learning from the week and then Find out Friday posts with a summary of what we have done over the week and some home learning tasks, with video support from staff.
  - ▶ We provide next steps and links to learning opportunities at home.
- 

# OBSERVING AT HOME...

- ▶ Any learning opportunities
  - ▶ Extended learning
  - ▶ Visits, trips and celebrations
  - ▶ Home learning tasks
  - ▶ How do I do this?
- 
- A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.

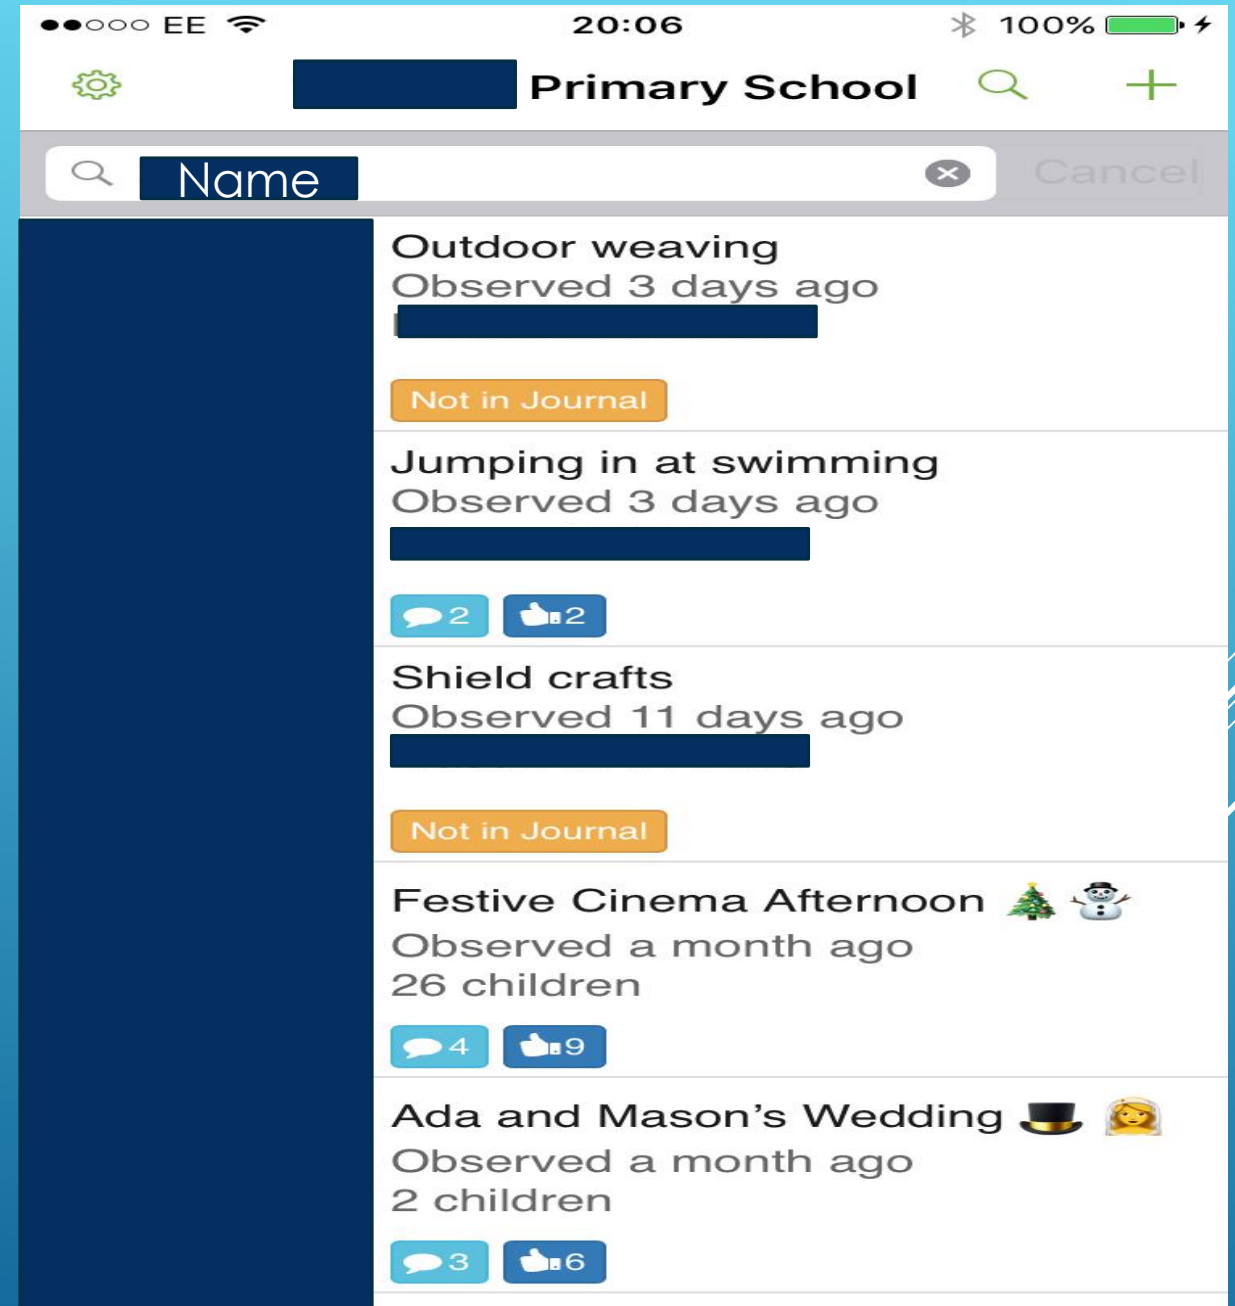

# ACCESSING TAPESTRY

- Once your Tapestry account is set up, you will be given a username – which will be your email address to begin with.
- You will have a password for the first time that you set it up – these are case sensitive.
- You will have a 4 digit PIN, which will enable you to access the app on your phone or Ipad.

# YOUR CHILD'S LEARNING JOURNEY

- You can only see your child's learning journey on Tapestry.
- There will be a range of observations from all areas of the EYFS.
- There will be WOW moments, long observations and some group observations if there has been a large focus activity.
- You can also like and leave comments on the observations.

# INDIVIDUAL OBSERVATION

- Think of a title for the observation.
- Write up a short observation, stating what your child is doing and what learning is going on.
- We can set activities and tasks for you to complete at home.

The screenshot shows a mobile application interface for creating an individual observation. At the top, the status bar displays signal strength, carrier (EE), Wi-Fi, time (20:06), Bluetooth, and 100% battery. The app header has a green 'Cancel' button on the left and a grey 'Save' button on the right. Below the header is a white form area. The first field is a text input labeled 'Title'. Below it is a larger text area labeled 'Observation' with a placeholder text 'Observation'. At the bottom, there is an orange navigation bar with four icons and labels: 'Children (1)' with a person icon, 'Notes' with a pencil icon, 'Assessments (0)' with a list icon, and 'Media' with a camera icon.

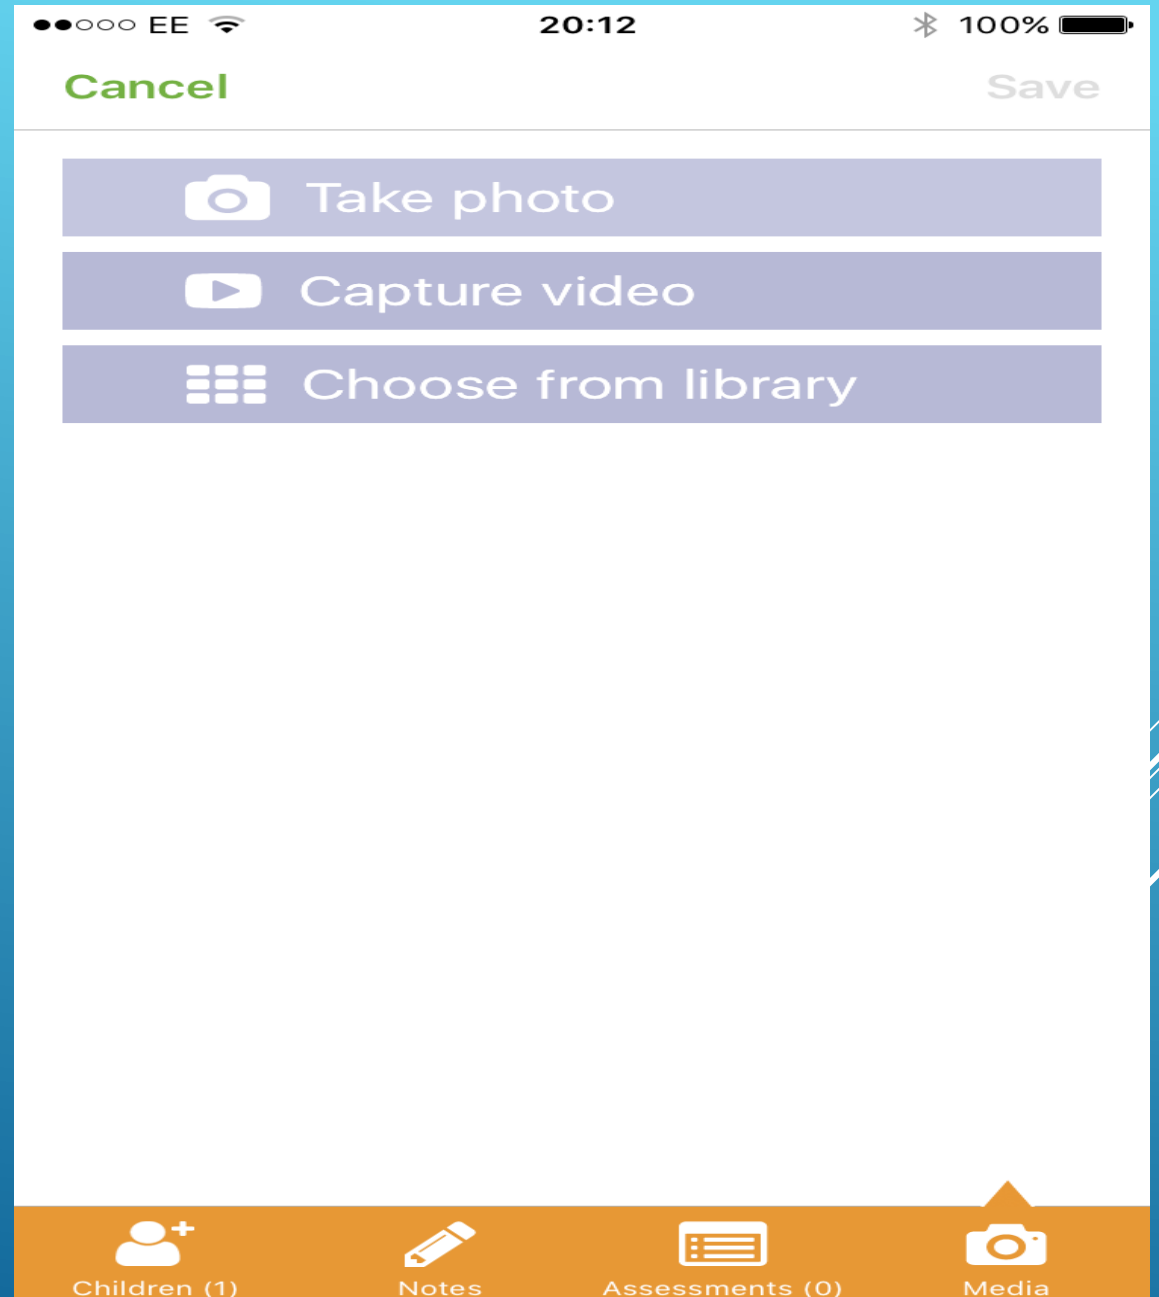

# EYFS AND COEL

- This is the document that we assess your child's learning against.
- When you complete an observation, this will not show up on your Tapestry.

The screenshot shows a mobile application interface for recording observations. At the top, there is a status bar with signal strength, Wi-Fi, time (20:11), and battery (100%). Below the status bar are two buttons: 'Cancel' on the left and 'Save' on the right. The main content area is divided into two sections. The first section, titled 'Personal, Social and Emotional Development', contains three sub-sections: 'Making Relationships', 'Self Confidence & Self Awareness', and 'Managing feelings and behaviour'. The second section, titled 'Communication and Language', contains three sub-sections: 'Listening and attention', 'Understanding', and 'Speaking'. At the bottom of the screen is a navigation bar with four icons: 'Children (1)', 'Notes', 'Assessments (0)', and 'Media'.

# HOW TO ADD PHOTOS AND VIDEOS...

- Go to the 'media' tab at the bottom of the screen.
- Select whether you would like to 'take photo', 'capture video' or 'choose from library'
- Select the photo or video that you would like to and then upload.

# IF YOU ARE HAVING DIFFICULTY ACCESSING OR HAVEN'T SET UP TAPESTRY...

- ▶ Please speak to your child's class teacher to help support you set up your account or answer any questions you may have.
