2/5/17

Dear Parent / Guardian

On behalf of the governing body, I am sending this summary of responses to the questionnaire which was completed just before Easter. If you have any specific query which you would like a personal response to, there is now a “Governor Box” in the school entrance to allow parents to communicate with the Carlton Primary School Governors.

Please be assured that every comment made on the questionnaires has been seen by all the governors, we were very proud to read all the wonderful things you had to say about Carlton School foundation unit which are reflected in the percentage scores below.

A total number of 39 questionnaires were completed. Below are the questions and the total percentage scores, with: **strongly agree / agree** combined, **disagree / strongly disagree** combined and **don't know**.
