9th June 2017

Welcome back for our final half term before the summer break—we have all been so busy that this year has simply flown by and the next half term is no exception. Our new topics have already begun—Foundation Stage are finding out how to 'Explore', KS1 have decided to look deeper into what it means to be from around these parts in their topic 'Ay up Yorkshire', Y3/4 are discovering all about the human body in 'Creaky Bones' and Y5/6 are finding out what life was like as an Anglo Saxon.

Before we broke up KS1 had a day trip to Whitby. A huge thank you to all the parental helpers who made the trip possible. The sun shone for them all day and they had lunch by the Abbey followed by a walk through town and down to the beach for some paddling.

This week our Y6 children have all been away at the Weardale Adventure Centre on their annual residential. They have not been quite so lucky with the weather but they have had great fun anyway canoeing, climbing and discoing all week. I went up for the day on Wednesday to join in the fun and they were all having a fantastic time challenging themselves on some of the activities. Good luck with the washing when they return!

Last half term our Homelearning prize was won by Mia Van. She won a voucher for Cannon Hall Farm for her

family so that they could enjoy a lovely day out over the half term break. The next prize will be another Xscape voucher.

One evening this week whilst playing out after school, some of our children were approached by a couple claiming to be from the council. They were asked a number of questions including their names, ages and post codes. If you let your children out in the evenings could you please reinforce the need to be aware of stranger danger.

Last half term's Spelling Bee was one of the best yet with more children than ever making 100%. Thank you to all who have helped their children to learn their spellings—the next list should have been sent home this week.

Hopefully you should be aware that it is our Sports Day next Wednesday. A letter was sent out with the details. This year we will hold the event at Carlton Cricket Club and the whole school will be taking part, including Foundation Stage. We are all keeping everything crossed for some warm weather so that we don't get rained off like last year. PTA will be selling refreshments on the day.

Next Friday the Bikeability Cycle Training starts for some of our Y6 children. They will be taught some vital skills in keeping safe when cycling on the roads.

Attendance Winners

w/e 26h May

Paragon Class with 98.9%

w/e 9th June

Tilden Class with 99.3%

Diary Dates

14/6/17—Sports Day
