Let your light shine!

Anyone passing our school last week may have had to look twice as our playground had

turned into a mini farmyard. Foundation Stage invited Farmer Richard from Rigmoor Farm to bring along a variety of animals for the children to meet, stroke and feed. Children from right across school also had the chance to see them at playtimes and lunchtime and I think everyone's favourite was the Alpaca. The shelter still has a lovely farmyard aroma.

## Y6 SATS

Next week is a very important week for our Year 6 children. It is their opportunity to showcase everything that they have learned with us over the last few years as they sit their SATs tests. They have worked really hard and have prepared well and I hope you will join me in wishing them the best of luck.

Over the last few weeks we have had some skipping workshops in school where the children have learned all about the health benefits of skipping along with learning the odd trick or two. This week our Year 2 children entered a skipping festival in Horsforth and had a great time competing against other schools in a variety of different events. Well done to our skipping team.

It has been brought to my attention that there have been a number of

parents approaching their children through the fence at playtimes and lunchtimes to either speak to their children or to pass things through the fence. I need to ask that you refrain from contacting your children in this manner. As part of Safeguarding at Carlton, all of our children are taught to never speak to anyone through the fence. Parents that do so are in danger of confusing the issue for our children and ultimately putting them at risk. Our policy is to report such matters to the Police. If you do have an urgent message for your child then you can always call the school office.

All of our Year 1 children have been to the woods today and had a fantastic time hunting for bugs and making tools. This will hopefully inspire some amazing writing for their Creepy Crawlies topic.

To celebrate the end of SATs for another year, Upper Key Stage 2 will be having a Bangdrum workshop next week.

They will finish the week with a showcase demonstration of their new skills for the whole school which means there will be no Golden Book Assembly next week. We will have to have double celebrations the week after!

Thank you.

Mr Coe.
