28th September 2018

Let your light shine!

I'd like to start this week by saying a huge thank you to the Carlton PTA. They worked tirelessly to arrange our first ever Carlton Village Show and last Saturday turned out to be a huge success. I hope that all of you that managed to come along had a great time—we attracted lots of visitors from the community and we also had some visitors all the way from New Zealand who emailed the school afterwards to say just how fabulous they thought it was. The entries to all of the competitions were absolutely amazing, please have a look on our facebook page to see how each of the categories had captured the imaginations of our children (and parents) We are already looking forward to next year's Village Show being even bigger and better.

Before the summer break, our Homelearning prizes were won by Eva Broughton and Sam Ward. I hope they enjoyed spending their Xscape vouchers over the holidays. This half term there is a family voucher for Cannon Hall Farm up for grabs!

Last week our children were treated to a Mad Science assembly. We had a mad scientist in the hall who did some amazing experiments in front of the children including setting fire to exploding bubbles. She was extremely entertaining and many of our children have now signed up to join the Mad Science club.

Many of you will be aware that Ms McDonnell, from Sunrise Class, has not been with us for a number of weeks. I can now confirm that unfortunately she will no longer be returning to Carlton. I'm sure you will join us in wishing her the best of luck with her future plans. The search for a replacement has already begun and we will be in touch as soon as we have some news for you.

YOUNGMINDS

10th October is World Mental Health Day. We will be taking part in the #HelloYellow campaign by allowing children to wear something yellow. Keep an eye out for more details from Miss Johnson.

We also have a few changes to announce on our Governing Board. Jenny Harrison has unfortunately decided to step down as a governor. I would like to thank her for her commitment over the last few years, she has been a valuable member of the board chairing our Resources Committee and also helping to monitor and improve our attendance. Angela Howarth has also decided to step down as our Chair of Governors. Angela has been a governor at Carlton for many years and last year stepped up to be the Chair. Over the last 12 months she has made a huge impact in making our Governing Board a highly effective team in supporting and challenging the leadership of the school in order to drive improvements. I would like to thank her for her dedication.

Our new Chair is Karen Weaver who was previously our Vice Chair our new Vice Chair is Neal Taylor. Karen will be in touch with you over the next few weeks to introduce herself and to explain how the new-look Governing Board will continue to make Carlton Primary School an even better place for your children.

Thank you.

Mr Coe.
