1st February 2019

Let your light shine!

I hope you are all coping well with the cold spell that we are currently experiencing—the children have been very excited today at the sight of the first proper snowflakes to fall. It was quite amusing watching the children attempting to do snow angels in 2mm of snow.

The cold weather certainly hasn't stopped our Forest School. Miss Yates has been taking a group up to the woods each Friday afternoon

and they have had great fun learning some new outdoor skills—including how to climb in and out of a hammock without falling on the floor!

I would like to announce that Miss Fletcher, who

teaches in Royal Class, is expecting a baby. Miss Fletcher will remain teaching in Foundation Stage into the Summer Term and we will update you soon with news of who will fill her shoes during her maternity leave.

Due to having a number of children in school with nut allergies, some quite severe, we are now a nut-free school. Can you please make sure that you do not put any nut products into your child's packed lunch. If you are unsure about which snacks are suitable then please contact school.

Our new system for our school lunches seems to have been a big success with children now

School Dinners

being able to

choose in advance what they would like on certain days. It has meant that the kitchen have been able to vastly improve the quality of the food that they serve as they are fully aware of the quantities that they will need each day. The new menus for after half term will be coming to you next week so that you can sit with your child and choose their meals. Please can you fill these in and return them as soon as possible so that we can get the information onto our system well in advance of the new term.

Thank you to all the parents that have already returned your Home-school agree-

ment. This is a very important document that lays the foundations of our working relationship with parents and carers. Without your support at home, it makes it very difficult for us to get the very best out of your child here in school so an effective partnership is the key.

Hopefully you will have heard that we are now a certified National Online Safety School. This means that our staff and Governors are fully in trained in how to best keep your child safe online. Again, this is only possible with your support at home and I would urge you to go online and access some of the training materials yourself. Please [click here](#) for the online resources.

Thank you.

Mr Coe.

Attendance Winners

w/e 25th January

Ruby Class with 99.2%

w/e 1st February

Supreme Class with 98.2%

Diary Dates
