Let your light shine!

D What an amazing week! Our children have been fully engaged with our Imagineering Focus Week and have really enjoyed travelling back in time to find out what life was like back in the 1870s when Carlton Primary first opened. They have been using chalk boards to write with and have also had a go with a real ink pen—all with their right hands of course. Thanks to everyone for helping the children to look the part with their costumes on Monday, it really helped them to get into role for the day. They seemed a bit shell-shocked by the new school rules at first but they soon got into the spirit of things and even enjoyed the chance to wear the Dunce's hat. A huge thank you to all the staff for getting so involved and a special big thank you to Miss McEwan for coming up with the idea and for organising the whole week.

Foundation Stage have had a visit from the Rainbow Theatre Company today. They have been into school to present Jack and The Beanstalk to the children which has been a fabulous way to finish off their topic.

Thank you for all your donations on Red Nose Day. We raised a total of £358.33 which has already been sent off to Comic Relief.

I have updated the Diary Dates section with some events for the Summer Term. Keep your eyes peeled for further additions in subsequent Newsletters.

 Our Easter egg competition is usually held on the last day before we break up for the Easter Holidays. This year we have a much later Easter so the com-

petition will be held on Thursday 18th April. That gives you a bit longer to come up with some even better creations. Good luck!

Hopefully you have noticed our updated playground markings. The children have been enjoying these at playtimes and some have started to complete our daily mile track. If you arrive early and fancy a brisk walk then you are more than welcome. 13 laps equals 1 mile.

You have hopefully had chance this week to visit our Book Fair and spend your World Book Day vouchers. Mrs Maddison has been very busy organising the fair each night this week so a huge thank you to her.

Our football and rugby teams have been in action this week and have done really well at their tournaments. Our children always enjoy the chance to represent the school and show off their sporting skills.

Miss Johnson has today taken some of our School Council into Leeds for a Democracy Day. They will get the chance to see the Council Chambers and meet with some of the councillors. They will also get the chance to ask the Lord Mayor and Mayoress a few questions about what it is like to run Leeds City Council. I hope they are prepared for a good grilling from the Carlton School Council.

Thank you.

Mr Coe.

Training Days

22nd, 23rd and 24th July 2019

PTA

Thank you for filling in our questionnaires. If you didn't do one and you have a spare minute they are on the table outside the school office. The Smarties Challenge will be sent home next Weds with the children. Thank you.
