Let your light shine!

Our Y6 children are on their way home from their Weardale residential as I type this. They have had the most amazing week of climbing, canoeing and exploring. I was lucky enough to join them for the day on Wednesday and they even persuaded me to take the Leap of Faith. Please have a look at the photos on our website to see what they have been up to. They have had perfect weather too which has all helped to create a fantastic week, full of memories to take with them to high school. A huge thank you to Miss Johnson, Miss Alexiou, Mrs Cowan and Mrs Townsend for giving up their time to give them this opportunity.

Monarch and Sunrise Class went on a visit to the Leeds Museum yesterday to finish off their 'Tomb Raiders' topic. They actually got to see a real Mummy which they were all very excited about.

KS1 had a trip to the Sea Life Centre at Scarborough yesterday. This was the perfect way to complete their Lighthouse topic by coming face to face with seals, jellyfish, otters and even sharks. Thank you to all the parents who came along on the trip—we couldn't have done this visit without your support.

Last week Foundation Sage stage had their very own Ugly Bug Ball. The children and staff all came dressed up as their favourite bugs and they all had a great day. Their butterflies have all hatched out now and the children enjoyed releasing them into the wildlife area.

Please note that from September,

due to rising costs from our suppliers, the cost of milk will unfortunately need to be raised to £12 per term.

I would like to clarify a couple of points about our Friday assemblies. It has been asked that we give more notice for invitations to Golden Book. Unfortunately this would not be practical as we are celebrating the work that the children have done during the week—if staff had to choose earlier in the week there would be fewer golden moments to choose from. Therefore we will continue to notify parents on a Thursday afternoon. Only parents of Golden Book children will usually receive invitations. The Behaviour Awards are decided on a Friday afternoon which doesn't give us the opportunity to send out any invites.

The first week back after half term is our Music Focus Week. Miss Rose has organised an exciting week for the children and you should have received invites to some performances. We are also recording our very own CD which you will be able to purchase online.

Hopefully you have all seen the letter from our Chair of Governors explaining that I will be leaving Carlton this Christmas. Obviously until then, I will remain fully committed to making sure that standards continue to rise without the school losing touch with its core values which we have worked hard to keep hold of over the last few years.

Happy Half Term

Mr Coe.

## Attendance Winners

w/e 17th May

**Crimson Class** with 98.3%

w/e 24th May

**Livingstone Class** with 98.7%

## Diary Dates

Half Term—w/c 27th May
