OCTOBER 2026

Summer Fayre

We are delighted to celebrate the success of our Carlton Summer Fayre event, which raised an incredible £3563 for our school! All funds raised will go directly towards benefiting our children and enhancing their school experience.

A huge thank you to everyone who came along, supported and helped make the event so special. It was a wonderful afternoon filled with fun, laughter and a fantastic sense of community spirit.

We are already looking forward to this year's Summer Fayre and can't wait to make it even bigger and better!

Coming Soon!

We are thrilled to share that our sheds have been ordered and will be arriving at school within the next 2-3 weeks! We are so excited to finally bring our very own little play village to life in our outdoor space.

Our first five sheds will be transformed into a fire station, builders' yard, vets, library and LEGO building shed, creating lots of exciting opportunities for imaginative play and adventure!

To help make our vision a reality, we are looking for some handy men and women who would be happy to lend a hand with building our sheds. If you enjoy a bit of flat-pack furniture, have some DIY skills or know someone who does, we would love to hear from you! Please get in touch via the PTFA email address if you can help. We cannot wait to see our little play village come to life and provide our children with a wonderful new space to explore, create and play!
